Gone Forever

Ten years ago an Allen county,
Kansas, farmer put his initials on
a dollar bill. The next day he
went to the nearest town and spent
it with a merchant. Before the
year was out, he got the dollar
back. Four times in six years the
dollar came back to him for pro-
duce and three times he heard of
it in the pocket of his neighbors.
The last time he got it back was
four years ago. He sent it to a
mail order house. He has never
seen that dollar since, nor never
will. That dollar bill will never
pay any more school or road tax
for him, will never build or
brighten any of the homes of the
community. He sent it entirely
out of the circle of usefulness to
himself and his neighbors.

A Year of Blood

The year 1903 will long be re-
membered in the home of F. N.
Tackett, of Alliance, Ky., as a year
of blood; which flowed so copious-
ly from Mr. Tackett's lungs that
death seemed very near. He
wrote, "Severe bleeding from the
lungs and a frightful cough had
brought me to death's door, when
I began taking Dr. King's New
Discovery for Consumption, with
the astonishing result that after
taking four bottles I was comple-
tely restored and as time has proven
permanently cured." Guaranteed
for sore lungs, coughs and colds,
at all druggists. Price 50 cents
and \$1.00; trial bottle free.

Always Was Sick

When a man says he always was
sick--troubled with a cough that
lasted all winter--what would you
think if he should say--he never
was sick since using Ballard's
Horehound Syrup. Such a man
exists.

Mr. J. C. Clark, Denver, Colo.,
writes: "For years I was troubled
with a severe cough that would last
all winter. This cough left me in
a miserable condition. I tried Bal-
lard's Horehound Syrup and have
not had a sick day since. That's
what it did for me."
